

## Rutland House Referrals are pleased to announce our fixed price **TPLO promise**

We are pleased to offer a package price for our tibial plateau levelling osteotomy surgeries. This includes the surgery, drugs and consumables, up to 2 days hospitalisation and follow up radiographs at 4 weeks. All implants are titanium locking plates and the team here has completed hundreds of cases.

up to 20kgs	£3800
20-40kgs	£4000
40-60kgs	£4200
60kg+	£4400

We are confident to offer a 12 month guarantee on all complications arising from the surgery.
